

World Dental Forum (WDF) - It is with great pleasure that we welcome you to participate in the WDF 2019. This is Modern Dental Group's most exciting event, organized every two years; a two-day forum consisting of lectures and panel discussions by world renowned speakers from different countries. The aims of the event are to promote academic sharing and exchange of technical know-how among international dental professionals, to provide a unique opportunity for continuing education, and to create a memorable event for everyone to have fun. Our previous WDF 2017 had over 800 dental professionals worldwide, we hope that you can join us again this year!

Who can enroll the WDF 2019?

All dental professionals including dentists, dental hygienists and dental assistants, from over 13 countries namely the United States, Canada, Australia, France, Belgium, Netherlands, Norway, Sweden, Germany, Singapore, Taiwan, China and Hong Kong, can register the event through your region's contact.

Where is the venue?

WDF2019 will be held at the Grand Ballroom of the Futian Shangri-La Shenzhen, which is just a 14 minutes journey by the High Speed Rail from West Kowloon Hong Kong to Futian.

When is WDF 2019?

This two-day event will be held between Monday, 14th and Tuesday 15th of October 2019.

How can I enroll in the WDF 2019?

You will have to fill in and submit the **registration form** along with your cheque or bank transfer slip by post on or before 31st August 2019. Payment methods are written on the registration form. If you would like to stay in Futian during the event, kindly check the hotel room pricing on the form. For more information regarding WDF, please contact Ms. Stacie Law at (852) 3766-0781 or by email at wdf@moderndentalgp.com.

Where can I check the speakers' profiles and the learning objectives for all 9 lectures?

You may visit www.worlddentalforum.com/speakers for more details.

Will I get the CME/CPD credits through the WDF 2019?

Please refer to the information at the back of the leaflet.

Introduction of Modern Dental Laboratory

Modern Dental Group Limited is a leading global dental prosthetic device provider with a focus on providing custom-made prostheses to customers for over 30 years in the prosthetics industry. Our product portfolio is broadly categorized into three product lines: fixed prosthetic devices, such as crowns and bridges; removable prosthetic devices, such as removable dentures; and other devices, such as orthodontic devices, sports guards and anti-snoring devices. We have 24 points of sale in China, 55 service centers overseas, and a customer base of over 20,000. Owning one of the largest dental laboratories worldwide with more than 5,500 technicians working with us, Modern Dental Group presents a world-class production of prostheses.

Modern Dental has a global portfolio of respected brands, including Labocast, Permamental and Elysee in Western Europe, Yangzhijing in China, Modern Dental in Hong Kong, Modern Dental USA in the United States, and Southern Cross Dental in Australia and New Zealand. We have grown these brands by providing premium and consistent quality products and superior customer service.
